Punti di forza e aree di miglioramento

Punti di forza (21)

Politiche

Punti di forza

Quantitative objectives set on some relevant issues [i.e. water, materials, chemicals & waste]

Comprehensive policy on a majority of environmental issues

Azioni

Punti di forza

Adoption of energy efficient construction practices

Purchase and/or generation of renewable energy

Company-specific emergency preparedness and response procedure regarding local pollution

Actions to reduce noise level

Reduction of carbon emissions in transportation

Measures to reduce light pollution and facilitate landscape and architectural integration of equipment/constructions into local environment

Measures to minimize impacts on subsurface water flows

Formal risk assessment or analysis of operations having potential impact on biodiversity

Use of natural materials or recovered materials

Use of substitute materials to hydraulic (cement) / hydrocarbon binder

Formal measures implemented to avoid road congestion at construction/work site

Monitoring of noise level

Measures to mitigate the spread of invasive species

Measures implemented to reduce pollutants discharged into water

ISO 14001 certified on more than 81% of operational sites

Risultati

Punti di forza

Reporting on total water consumption

Reporting on total weight of non-hazardous waste

Reporting on total energy consumption

Standard reporting on environmental issues

Aree di miglioramento (4)

Politiche

Priorità Aree di miglioramento

Media

No information on endorsement of external sustainability initiatives or principles

Media

Inconclusive documentation for environmental policies on some relevant issues [i.e. biodiversity]

Risultati

Priorità Aree di miglioramento

Bassa

Declares reporting on total weight of hazardous waste, but no supporting documentation available

Bassa

Declares reporting on total gross Scope 1 and/or 2 GHG emissions, but no supporting documentation available

Train against platform: investigation starts [IT]

http://www.ansa.it/toscana/notizie/2018/12/07/treno-contro-piattaformaaperta-indagine_c437ff5d-9b03-4550-b7e9-ecfc776952a1.html

The Public Prosecutor of Florence has opened a file for negligent injuries, at the moment against unknown persons, regarding the railway accident which occurred at night at the Pellegrino tunnel, between the Statute and Field of Mars. According to what was learned, at the time of the accident the workers, employees of the Cemes company based in Pisa, were on a raised platform compared to the platform, engaged in maintenance work on the power line.
